

421 Drying Protectant

SmartShield is a clearcoat protectant that enhances nano coating and wetting agent technology for superior paint protection against harsh UV rays. Economical, versatile, and eco-friendly, it features low viscosity, self-leveling nano sealant for streak-free, free-rinsing performance, saving time and labor. Apply with low or medium pressure using natural (city or well) or soft water to boost paint shine; remove with water. Ideal for vehicle and commercial vehicle washing in drive-thru, in-bay automatic, or tunnel wash systems.

WARNING
Causes skin irritation
Causes serious eye irritation
