

## 630 Ceramic Hard Shell

SmartCeramic\*- is a technology advanced formula of specialized polymers, sealants, and drying agents. Formulated to adhere to your vehicle's exterior finish, leaving a durable protective layer between the vehicle and the harsh environmental elements. These new polymers, now made water-soluble for ease of application, can be applied through a spectrum of car wash equipment. A visible shine, rapid water beading, and durability make SmartCeramic\* the choice for car wash operators.
