

675 Clear Coat Protection for Vehicle Wash

GrapheneExtreme is a revolutionary extremely high shine Graphene infused ceramic hard shell product that pushes the limits of nano coating and wetting agent technology. This economical and versatile solution is environmentally friendly, free-rinsing, and saves time and labor. Featuring surface-breaking technology, low viscosity, and a self-leveling nano sealant, it delivers streak-free results with the highest dilution rates ever seen. Formulated for low to medium pressure applications, it's highly effective for improving drying and is ideal for vehicle and commercial vehicle washing in drive-thru, in-bay automatic, or tunnel wash systems. For optimal performance, apply with natural (city or well) or soft water, and remove with water, ensuring a flawless, high-end finish.

WARNING
Causes skin irritation
Causes serious eye irritation
Suspected of causing cancer

DO NOT STORE OR TRANSPORT
at temperatures below 38° F or above 120° F.
product damage will occur

DO NOT ADD WATER OR PRE-DILUTE.
Product damage will occur.

Available In: 1 gallon (3.8L), 30 gallon (113.6L)

SmartGrapheneExtreme Contains: Distillates (petroleum), hydrotreated light (CAS# 64742-47-8), butyl glycoether (CAS# 111-76-2), Isopropyl alcohol (CAS# 67-63-0), Coconut oil diethanolamide (CAS# 68603-42-9)

Do not handle until all safety precautions have been read and understood.

Precautionary Statement:

Prevention: Obtain special instructions before reuse. Do not handle until all safety precautions have been read and understood. Wash hands, forearms and face thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.
