

522 Solvent-Based Tire Dressing

SmartTireGel is a solvent-based, fast-drying, high-gloss silicone tire dressing with a thick formula for superior adhesion to brush tire shine systems. Water-resistant, safe to use, and fast-acting, it rapidly develops gloss, penetrates, and protects tire surfaces from ozone, UV rays, and oxygen that cause cracking, dulling, or hardening. Easy to apply with a sprayer, cloth, sponge, or brush, it doesn't run, build up, or spin off tires; allow to penetrate and wipe off excess if needed. Cost-effective, a little goes a long way. Ideal for vehicle and commercial vehicle washing.

DO NOT STORE OR TRANSPORT
at temperatures below 38° F or above 120° F.
product damage will occur

DO NOT ADD WATER OR PRE-DILUTE.
Product damage will occur.

Available In: 1 gallon (3.8L), 30 gallon, 55 gallon

SmartTireGel Contains: Distillates (petroleum), hydrotreated light (CAS# 64742-47-8)
