

925 Bug & Pollen Remover

SmartBP Extreme is an ultra-concentrated bug and bee pollen remover formulated as an economical prep product for low and high-pressure applications. Highly effective on bee pollen, it uses biodegradable detergents with no phosphates or solvents to lift residue that would otherwise require secondary manual brushing. Economical, versatile, and free-rinsing, it is applied manually or with high pressure in hot or cold water, blended with treated water, and always rinsed with high-pressure water. Ideal for tunnel express, in-bay automatic, hand wash, self-serve, and truck wash operations.

Warning

Causes skin irritation
Causes serious eye irritation
Harmful to aquatic life

DO NOT STORE OR TRANSPORT
at temperatures below 38° F or above 120° F.
product damage will occur
