

922 High pH Touch-Free Pre-Soak

SmartTouchless High is an ultra-concentrated high-pH presoak formulated as the second pass of a two-step touch-free program. It removes exhaust deposits, road film, grease, and bug residues from painted surfaces in one application, using foaming stabilizers and biodegradable cleaning surfactants for streak-free, free-rinsing results. Economical and phosphate-free, it works in treated or hard water, hot or cold. Apply after the low-pH presoak, allow 30-45 seconds dwell time, and rinse with high-pressure water.

Danger
May be corrosive to metals
Causes severe skin burns and eye damage

DO NOT STORE OR TRANSPORT
at temperatures below 38° F or above 120° F.
product damage will occur

DO NOT ADD WATER OR PRE-DILUTE.
Product damage will occur.

Available In: 1 gallon (3.8L), 30 gallon, 55 gallon

SmartTouchlessHigh Contains: Sodium hydroxide

UN3266 Corrosive liquid, basic, inorganic, n.o.s. (Sodium hydroxide), 8, III

Do not handle until all safety precautions have been read and understood.

Precautionary Statement:

Prevention: Keep only in original packaging. Do not breathe dusts or mists. Wash hands, forearms and face thoroughly after handling. Wear protective gloves, protective clothing, eye protection, face protection, and hearing protection.

Response: If swallowed: rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If inhaled: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. Specific treatment (see supplemental first aid instruction on this label). Take off immediately all contaminated clothing and wash it before reuse. Absorb spillage to prevent material-damage.

Storage: Store locked up.

Disposal: Dispose of contents and/or container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulations.
