

## 912 Low pH Touch-Free Pre-Soak

SmartTouchless Low is an ultra-concentrated, high-foaming low-pH presoak formulated as the first pass of a two-step touch-free program. Its safe synthetic acid removes petroleum and hydrocarbon contaminants and road film while brightening chrome, stainless, and aluminum, without the hazards of hydrofluoric acid. Biodegradable, phosphate-free, and anti-corrosive, it is applied with low or high pressure, allowed 30-45 seconds dwell time, then followed with a high-pH presoak and rinsed with high-pressure water.

**Danger**  
May be corrosive to metals  
Causes severe skin burns and eye damage

**DO NOT STORE OR TRANSPORT**  
at temperatures below 38° F or above 120° F.  
product damage will occur

**DO NOT ADD WATER OR PRE-DILUTE.**  
Product damage will occur.

**Available In: 1 gallon (3.8L), 30 gallon, 55 gallon**

**SmartTouchlessLow Contains:** Phosphoric acid

**UN3264 Corrosive liquid, acidic, inorganic, n.o.s., 8, III**

Do not handle until all safety precautions have been read and understood.

### Precautionary Statement:

**Prevention:** Keep only in original packaging. Do not breathe dusts or mists. Wash hands, forearms and face thoroughly after handling. Wear protective gloves, protective clothing, eye protection, face protection, and hearing protection.

**Response:** If swallowed: rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If inhaled: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. Specific treatment (see supplemental first aid instruction on this label). Take off immediately all contaminated clothing and wash it before reuse. Absorb spillage to prevent material-damage.

**Storage:** Store locked up.

**Disposal:** Dispose of contents and/or container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulations.
