

970 All Purpose Industrial High pH

A reliable, high-pH touchless presoak that delivers consistent cleaning across a wide range of vehicle conditions. High pH Touchless Presoak is the everyday backbone of touchless wash operations — effective enough for road grime and light industrial fallout, economical enough to run all day. The high-alkaline formula lifts and emulsifies road film and environmental deposits without physical contact. The blue-tinted formula makes coverage visible during application and rinse. Properly diluted, it's safe on all OEM finishes, clear coats, and most aftermarket coatings.

Danger
May be corrosive to metals
Causes skin irritation
Causes serious eye damage

DO NOT STORE OR TRANSPORT
at temperatures below 38° F or above 120° F.
product damage will occur

DO NOT ADD WATER OR PRE-DILUTE.
Product damage will occur.

Available In: 1 gallon (3.8L), 30 gallon, 55 gallon

Smart APIH Contains: Tetrasodium ethylenediaminetetraacetate (CAS-No.) 64-02-8, Sodium hydroxide (CAS-No.) 1310-73-2, butyl glycolether (CAS-No.) 111-76-2, UNDECETH-5 (CAS-No.) 34398-01-1, Sodium xylenesulfonate (CAS-No.) 1300-72-7

UN3266 Corrosive liquid, basic, inorganic, n.o.s. (Sodium hydroxide), 8, III

Do not handle until all safety precautions have been read and understood.

Precautionary Statement:

Prevention: Keep only in original packaging. Wash hands, forearms and face thoroughly after handling. Wear protective gloves, protective clothing, eye protection, face protection, and hearing protection.

Response: If on skin: Wash with plenty of water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. Specific treatment (see supplemental first aid instruction on this label). If skin irritation occurs: Get medical advice or attention. Take off contaminated clothing and wash it before reuse. Absorb spillage to prevent material-damage.
