

950 Citrus based Low ph Aluminum polish and cleaner

SmartCitrus is an ultra-concentrated, HF-free low-pH presoak and aluminum cleaner that removes road grime, diesel soot, and oxidation from aluminum bodies and trailers—while safely brightening polished aluminum when used as directed. HF-free chemistry reduces safety risks, equipment corrosion, and fluoride waste. Built for two-step programs: apply as the first (acid) pass, allow brief dwell, rinse, then follow with a high-pH detergent. Use with foaming units, drive-thru/gantry, or pressure washers; boost foam with air injection.

DANGER
May be corrosive to metals
Causes severe skin burns and eye damage
Harmful if inhaled & Eye Damage

DO NOT STORE OR TRANSPORT
at temperatures below 38° F or above 120° F.
product damage will occur

DO NOT ADD WATER OR PRE-DILUTE.
Product damage will occur.

Available In: 1 gallon (3.8L)

SmartCitrus Low Contains: Sulfuric acid (CAS# 7664-93-9), Phosphoric acid (CAS# 7664-38-2), butyl glycoether (CAS# 111-76-2), Oxalic acid, dihydrate (CAS# 6153-56-6)

UN3264 Corrosive liquid, acidic, inorganic, n.o.s. (Sulfuric Acid, Phosphoric Acid), 8, II
